distributors. It's ability to serve all New Mexico markets and

WESTPOINTE 40

#### **ALBUQUERQUE** A REGIONAL INDUSTRIAL HUB

Located near the geographic center of New Mexico at the intersection of I-25 and I-40, Albuquerque is the state's most populous city and one of the most livable in the U.S. The city serves as a major transportation and shipping hub for the Southwestern United States with the BNSF Railway, air cargo from Albuguergue International Airport (Sunport), and a commuter train running from Belen to Santa Fe. A talented workforce, a business-friendly environment, a community rooted in history and a high quality of life make Albuquerque hard to beat.

## **ABOUT THE DEVELOPER**

# INDUSTRIAL DEVELOPMENT + INVESTING

Titan Development is a full-service development company, providing all necessary services to transform raw land into an operational facility. Formed in 1999, Titan Development has a wealth of experience in both land and vertical development. Titan maintains offices in New Mexico and Texas in order to foster the relationships that create success for our clients and investors. Titan delivers projects with the highest quality work and customer service, within budget and on time and tailors the structure of each development to meet client objectives.

We work with manufacturers, e-commerce and distribution companies, auto industry suppliers, logistics experts, educators, and tech industry suppliers to understand and solve problems that address the fast-changing needs of today's businesses. Titan Development's industrial solutions are tailor-made to fit the specific business objectives of leading organizations worldwide.

Most recently, Titan Development has launched its second private equity real estate fund that highlights its equity fund management and strategic investment services, as well as macroeconomic and market analysis capability. Titan Development Real Estate Fund II (TDREF II) was established to raise and invest equity in Titan Development's existing pipeline as well as other investment opportunities. TDREF II will have a focus on industrial and multifamily asset types in Texas and the southwest.
