DOWNTOWN | ALBUQUERQUE

Albuquerque's downtown is a vibrant community of entrepreneurs, artists, families and local businesses that collectively create a thriving central district. At the intersection of Route 66, the Atchison Topeka & Santa Fe Railroad, Pueblo Indian trade routes, and El Camino Real. It is the cultural crossroads of the southwest, and remains the employment, transportation, and tourism hub for all of New Mexico.

DOWNTOWN UPGRADE

Downtown is in the midst of a major multimillion-dollar revitalization. Several key catalytic projects, such as the Rail Trail and Rail Yards, will be magnets for economic investment and innovation.

Downtown Housing

There are currently more than 1,500 housing units in Downtown Albuquerque. **The Downtowner**, a \$50 million public-private project, will bring 166 additional housing units. Several housing projects that will increase the number of residents downtown are currently in the works. They include:

- **Springer Square:** Up to 70 housing units
- **Palindrome Townhomes:** 14 units
- **Villa Agave:** 15 apartments

An ABQ Landmark Since 1961

320 Gold Ave. NW was constructed from 1959 to 1961. Designed by local architect Willard C. Kruger, the 14-story building surpassed the Simms Building across the street to become the tallest in New Mexico until 1963. The 14th floor housed the private Petroleum Club, while the Bank of New Mexico had its headquarters on the ground floor. The building was given a \$5 million remodeling in 1986, which included major mechanical work as well as replacing the original curtain walls with the current black tinted glass. The building is currently undergoing significant upgrades and capital improvements.

A Cultural and Entertainment Hub

Downtown is a leader in the creative economy providing numerous cultural experiences, including public art and historic building walking tours; and a wealth of food selections, micro-breweries and distilleries.

Downtown: A Safe Environment

The new APD Public Safety Center at Central & 4th is a valuable addition to Downtown Albuquerque. This facility, along with both foot and bike patrols, will provide a consistent street-level presence of security in the downtown core. Officers will be present downtown during work and entertainment hours.
