ESPAÑOLA'S GROWING ECONOMY

A Destination for Shopping, Dining & Recreation

Española serves as the business and cultural hub for numerous mountain communities as distant as the Colorado border. Historically, residents of Española have driven to Santa Fe for shopping. Now, with the growth of retail development, they are spending their money in Española.

With neighboring towns demanding the highest rent rates in the state, entrepreneurs and national tenants alike are discovering Española. In the forefront of redevelopment, Nambe Mills is relocating from Santa Fe in what will be a multi-phase move of their entire silver working operation.

The re-invention of Main Street is attracting development with over half a dozen entrepreneurs opening shops on the street within a year.

Large resort style casinos including the Cities of Gold Casino, Ohkay Casino, Santa Claran, and the Camel Rock have all opened up in the area as well. Packed nightly and providing hundreds of jobs, the benefits to Española are immeasurable.
