TRADE AREA ANALYSIS

DOWNTOWN | ALBUQUERQUE

Albuquerque's downtown is a vibrant community of entrepreneurs, artists, families and local businesses that collectively create a thriving central district. At the intersection of Route 66, the Atchison Topeka & Santa Fe Railroad, Pueblo Indian trade routes, and El Camino Real. It is the cultural crossroads of the southwest, and remains the employment, transportation, and tourism hub for all of New Mexico. The new APD Public Safety Center at Central & 4th is a valuable addition to Downtown Albuquerque. This facility, along with both foot and bike patrols, will provide a consistent street-level presence of security in the downtown core. Officers will be present downtown during work and entertainment hours.
